**Manhattan Commission to Host Rollover Auction Supporting Ranchers Impacted by Ranger Road & Stevens Fires
Feb 27, 2026 Starting at 1:00 PM**

The Ranger Road Fire, which began in northwest Oklahoma before moving into Kansas, has burned an estimated 283,283 acres, according to reports from the Oklahoma Department of Agriculture, Food & Forestry. The agency also reports that the Stevens Fire has burned an estimated 12,428 acres across Oklahoma and Kansas. Ranchers in the hardest-hit areas have suffered devastating losses, including destroyed fence lines, livestock losses, and significant damage to vital forage resources. The impact to the livestock community will be long-lasting as producers work to rebuild infrastructure and restore grazing capacity. In response, Manhattan Commission will sponsor a Rollover Auction on Friday, February 27, 2026, at 1:00 PM. The auction will feature a heifer generously donated by the Frank Mackey family, with all proceeds going toward assisting affected ranchers. We encourage producers, buyers, and supporters of the livestock industry to open their hearts and join us in providing meaningful assistance to our fellow cattlemen during this difficult time. Bidding Options: In person at Manhattan Commission; Phone bids: 785-776-4815; Online Auction : CattleUSA.com; Cash donations can be made through the Kansas Livestock Foundation (KLF), KLA's charitable arm, made payable to Wildfire Relief; Together, our livestock community is strongest when we stand united. Your participation and generosity will make a direct difference for families working to recover from these historic fires. For more information, please contact Manhattan Commission.
