ONLINE BIDDING AVAILABLE AT LmaAuctions.COM

With the overnight and early morning rain on Friday Oct. 24 we had a shortened run of cattle. Also, with all the negative political news mid-week and the feeder future market being 21 dollars lower in 3 days made for a lower trend. We would like to thank our buyers for stepping up and still buying cattle. Cull cows and bulls sold from steady to \$3 lower on the kind offered.
