We had a large run of cattle for our sale Friday Dec. 12. Weaned and hfr with quality and condition sold fully steadywith last weeks advancements in prices. There were many unweaned calves and calves carrying extra flesh offered and they sold accordingly. Light weight feeder cattle sold fully steady stronger while the heavy cattle were weaker with many cattle carrying extra flesh. A large run of weigh cows and bulls sold from steady to \$3 higher on the better kind.

For our special cow sale Wed. Dec. 10 a large offering of cows found good interest from a good attendance of buyers with age size and deposition being a deciding factor.
